Hey Kids and Teachers!

Recycle Rex here inviting YOU to take my "Recycle Challenge"! My friends at the Department of Conservation and I would like to challenge your class to see how many aluminum and plastic California Redemption Value (CRV) beverage containers you can collect and recycle!

Contest Rules:

All California elementary school classes, kindergarten through 6th grade (public or private), are eligible to enter my recycle challenge!

Step One: Register

To register, you must complete ALL the information on the registration form.
You may register online : **www.consrv.ca.gov/DOR/rre/kids/regis.htm**
or via the US Postal Service,
The Recycle Rex Recycle Challenge, Division of Recycling, 801 K Street, MS 17-01 Sacramento, CA 95814.

Step two: Collect

Collect as many California Redemption Value (CRV) beverage containers from **November 1st, 2006 - March 15th, 2007.** Collect aluminum and plastic CRV beverage containers from home, school, your neighbors or even have your class organize a recycling drive for your entire school!

All aluminum and plastic beverage containers marked *"California Redemption Value, California Cash Refund, or California Refund Value" (CRV)* are eligible for the purposes of this contest.

Step three: Recycle

Ask a parent or teacher to take your CRV beverage containers to your local recycling center. Track the amount you recycle by: **1)** making copies of the receipts the recycling center gives to you and track it on the official Recycle Rex Recycle Challenge Entry Form(s); or by **2)** asking the recycling center attendant to sign the form, if they do not provide a receipt. Just be sure to bring the *Challenge Entry Form* with you each time you visit the recycling center.

Step four: Report

Send me your completed and totaled official Recycle Rex Recycle Challenge Entry Form(s) by **March 30, 2007.** Winners will be announced each year on or near Earth Day **(April 22nd)** on my website. The winners will receive a visit from me along with many RecyCool prizes - like backpacks and binders all made from the bottles and cans you recycle!
