

Article 15. Vested Rights Determination

~~§ 3950. Pursuant to Public Resources Code Sections 2774.4 or 2774.5, where the board exercises and/or assumes some or all of the lead agency's powers, the board shall not conduct vested rights determinations. Purpose of Regulations. No person who has obtained a vested right to conduct surface mining operations prior to January 1, 1976 shall be required to secure a permit pursuant to Section 2770 of the Public Resources Code. Any person claiming a vested right to conduct surface mining operations in a jurisdiction where the State Mining and Geology Board (the Board) is lead agency pursuant to section 2774.4 of the Public Resources Code must establish such claim in a public proceeding under this article. In such a proceeding the Claimant shall assume the burden of proof.~~

~~§ 3951. Vested Right(s) Definition. A "vested right" is the right to conduct a legal noneonforming use of real property if that right existed lawfully before a zoning or other land use restriction became effective and the use is not in conformity with that restriction when it continues thereafter. A vested mining right, in the surface mining context, may include but shall not be limited to: the area of mine operations, the depth of mine operations, the nature of mining activity, the nature of material extracted, and the quantity of material available for extraction. A person shall be deemed to have a vested right or rights to conduct surface mining operations if, prior to January 1, 1976, the person has, in good faith and in reliance upon a permit or other authorization, if the permit or other authorization was required, diligently commenced surface mining operations and incurred substantial liabilities for work and materials necessary for the surface mining operations. Expenses incurred in obtaining the enactment of an ordinance in relation to a particular operation or the issuance of a permit shall not be deemed liabilities for work or materials. Expansion of surface mining operations after January 1, 1976 may be recognized as a vested noneonforming use under the doctrine of "diminishing assets" as set forth in *Hansen Brothers Enterprises, Inc. v. Board of Supervisors* (1996) 12 Cal.4th 533.~~
