

The following language was incorrectly identified as existing text in the originally proposed language, and has been deleted by the board:

The phrase "Candidate areas for termination of designation"

The phrase "part(s) of" which appeared in the designation termination for sectors B, D, V and X

The phrase "(PCC-Grade)" in the designation termination for sector B

Replacing the word "conservative" with "conservation" in sector B

Sectors BB and CC were incorrectly listed as existing designated areas that were being terminated through this rulemaking

The following document is being added to the rulemaking file as a document relied upon:  
Aggregate Sustainability in California 2012 (Map sheet 52, John P. Clinkenbeard)  
This document is available to view at the SMGB office.
