

California Department of Conservation

FARMLAND MAPPING AND MONITORING PROGRAM

**SOIL CANDIDATE LISTING
FOR
PRIME FARMLAND AND FARMLAND OF STATEWIDE IMPORTANCE
CALAVERAS COUNTY**

U.S. Department of Agriculture, Natural Resources Conservation Service,

soil surveys for Calaveras County include:

Soil Survey of Central Sierra Foothills Area, California, Parts of Calaveras and
Tuolumne Counties, September 2018

Beginning in 2018, SSURGO digital soil information has been incorporated into the Calaveras County Important Farmland Map. Prior versions of the map have not been modified.

The SSURGO data includes Central Sierra Foothills Area, California, Parts of Calaveras and Tuolumne Counties (published 09/17/2018). The digital surveys contain additional soil units beyond those published in the original paper surveys. Soils on the Prime Farmland and Farmland of Statewide Importance lists that only occur in the SSURGO data are appended in italics at the end of each list.

For more information on the NRCS SSURGO data, please visit the NRCS Soil Geography webpage: <http://www.nrcs.usda.gov/wps/portal/nrcs/main/soils/survey/geo/>
