Example Map for Notice of Intention

This document is provided as a hypothetical example and following this example does not ensure compliance with applicable requirements as they apply to actual circumstances.

CA Oil Company

12345 Main St City, ST ZIP Code April 1, 2025

Example of Health Protection Zone Statement for Notice of Intention

NOI Well B-1 - Outside HPZ

Project Name

Well B-1 Work-over Project

Project Location

NOI Well B-1 (0423456789) X: -119.326553, Y: 34.319038

Project Proposal

The proposed project consists of a work-over of NOI Well B-1, which requires a permit from CalGEM. The duration of well work spans 3-5 days.

Health Protection Zone Statement

NOI Well B-1 is outside a Health Protection Zone. It is located in an rural area off of Highway 46, roughly 7 miles west-northwest of Blackwell's Corner. This well has no sensitive receptors located within 3,200 feet. There is a structure located roughly 1,300 feet to the south of the wellhead. This structure is not a sensitive receptor. It is a storage shed used for oilfield operations and is not open to the public. There are several production facilities associated with the oil production operation. These production facilities are not sensitive receptors.

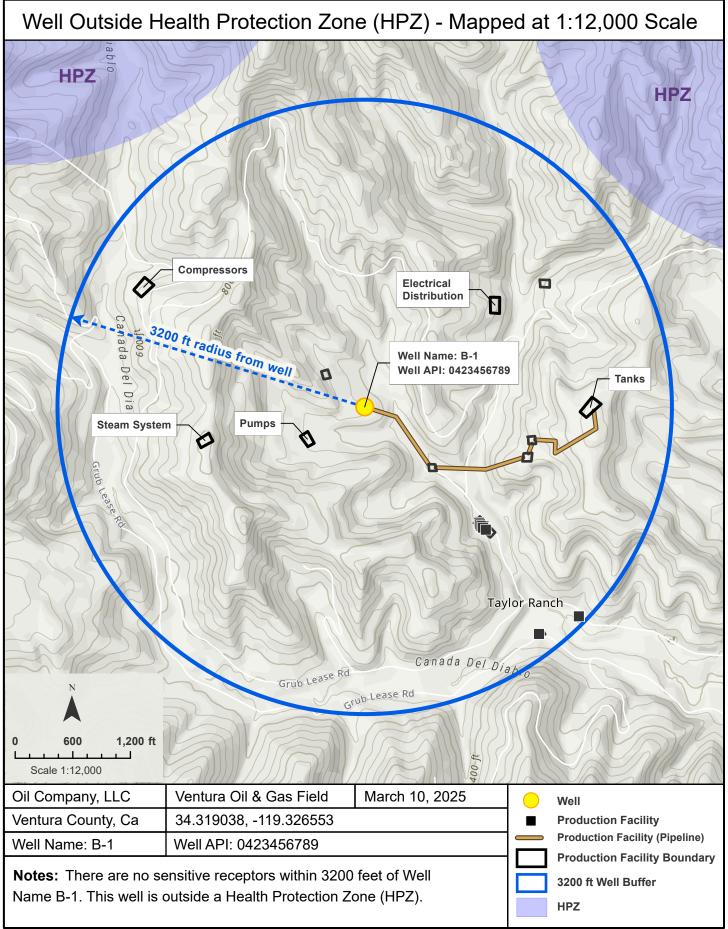

Sincerely,

John Smith

CA Oil Company Rep
