Exhibit A, Scope of Work

1. Program Background

The Sustainable Agricultural Lands Conservation Program (SALC), a component of the Strategic Growth Council's (Council) Affordable Housing and Sustainable Communities Program, supports the California's greenhouse gas (GHG) emission reduction goals by making strategic investments to protect agricultural lands from conversion to more GHG intensive uses. Protecting critical agricultural lands from conversion to urban or rural residential development promotes smart growth within existing jurisdictions, ensures open space remains available, and supports a healthy agricultural economy and resulting food security. A healthy and resilient agricultural sector is becoming increasingly important in meeting the challenges occurring and anticipated as a result of climate change. Auction revenues from the Cap-and-Trade Program are deposited into the Greenhouse Gas Reduction Fund (GGRF), which the Legislature and Governor appropriate to a variety of programs such as the SALC and which operate under the umbrella of California Climate Investments. All projects funded by GGRF monies must reduce or avoid greenhouse gas emissions.

Agricultural Land Conservation Planning grants provide funds to cities and counties in collaboration with local stakeholders to develop and implement plans for the protection of agricultural land at risk of conversion to non-agricultural uses. This component of the program incentivizes local governments to work closely with local stakeholders to develop local and regional land use policies and implementation activities that integrate agricultural land conservation in a way that reduces greenhouse gas emissions, supports job creation, and benefits priority populations.

The Council identified the California Department of Conservation (Department) in conjunction with the Natural Resources Agency (Agency) to administer SALC. The Strategic Growth Council approved the roles of the Department and the Agency at its July 10, 2014 meeting. In addition, SALC has been developed in consultation with the California Department of Food and Agriculture.

This Grant Agreement is of no force or effect until signed by both parties. Grantee may not commence performance until such approval has been obtained.

2. Amendment

No change to this Grant Agreement shall be valid unless made in accordance with [Exhibit A, Section 3 or 4](#), or [Exhibit B, Section 7](#). No oral understanding or change not incorporated in this Grant Agreement is binding on any of the parties.

3. Assignment

This Grant Agreement is not assignable by Grantee, either in whole or in part, without the consent of the Department in the form of an amendment.

4. Records Retention

- A. Grantee shall establish an official file containing adequate documentation of all actions taken with respect to the Project, including copies of the Grant Agreement, changes, amendments, letters, email correspondence, financial records, and required reports for a minimum of four (4) years following the final payment of funds or until completion of any action and resolution of all issues which may arise as a result of an audit, whichever is later.
- B. Grantee shall adequately protect all records, physical and electronic, from loss, damage, or destruction during the four (4) year retention period.

5. Audit

- A. Grant funded projects are subject to audit by the State of California during the grant term and for up to four years following the termination of the grant agreement. - B. At any time, the Department, Department of Finance, Bureau of State Audits, or their designated representative may request to review Grantee's records to ensure proper grant management. Grantee shall be given advance notice when the grant-funded Project is selected for an audit or review by the Department, Department of Finance, Bureau of

State Audits, or their designated representative. Grantee agrees to allow the auditor(s) access to such records during normal business hours, excluding State of California holidays, and to allow interviews of any employees who might reasonably have information related to such records. Further, Grantee agrees to include a similar right of the Department to audit records and interview staff in any subcontract related to performance of this Grant Agreement in accordance with Government Code section 8546.7. Grantee shall comply with the above and be aware of the penalties for violations of fraud and for obstruction of investigation as set forth in Public Contract Code section 10115.10.

6. Indemnification

Grantee agrees to indemnify, defend, and hold harmless the State of California, its officers, agents, and employees from any and all claims and losses accruing or resulting to any and all Grantees, partners, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Grant Agreement, and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by Grantee in the performance of this Grant Agreement.

7. Disputes

Grantee shall continue with the responsibilities under this Grant Agreement during any dispute.

8. Independent Grantee

Grantee, and the agents and employees of Grantee, in the performance of this Grant Agreement, shall act in an independent capacity and not as officers, employees, or agents of the Department.

9. Non-Discrimination Clause

During the performance of this Grant Agreement, Grantee and its subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of race, color, ancestry, national origin, religion, creed, age (over 40), mental disability, physical disability, sex, gender (including pregnancy, childbirth, breastfeeding, or related medical conditions), sexual orientation, gender identity, gender expression, medical condition, genetic information, marital status, and military and veteran status. Grantee and subcontractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Grantee and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12990 (a-f) et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285 et seq.). The applicable regulations of

the Fair Employment and Housing Commission implementing Government Code Section 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Grant Agreement by reference and made a part hereof as if set forth in full. Grantee shall manage, monitor, and accept responsibility for the performance of its own staff and subcontractors, and will conduct Project activities and services consistent with professional standards for the industry and type of work being performed under this Grant Agreement.

Nothing contained in this Grant Agreement or otherwise, shall create any contractual relation between the Department and any subcontractors, and no subcontract shall relieve Grantee of its responsibilities and obligations hereunder. Grantee agrees to be as fully responsible to the Department for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by Grantee. Grantee's obligation to pay its subcontractors is an independent obligation from the Department's obligation to make payments to Grantee. As a result, the Department shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

This Grant Agreement is not intended for the benefit of any person or entity other than the parties, and no one other than the parties themselves may enforce any of the rights or obligations created by this Grant Agreement.

9. Stop Work

If it is determined, at the sole discretion of the Department, that Grantee is not meeting the terms and conditions of this Grant Agreement, immediately upon receiving a written notice through certified mail from the Department to stop work, Grantee shall cease all work under this Grant Agreement. The Department has the sole discretion to determine that Grantee meets the terms and conditions after a stop work order, and to send through certified mail a written notice to Grantee to resume work under this Grant Agreement.
