

## DISCLAIMER FOR USE AND INTERGRATION OF TOMS DATA

The State of California, Department of Conservation, its employees, agents or contractors make no warranty of any kind, express or implied, nor assume any legal liability or responsibility for the accuracy, completeness, or usefulness of any of the maps and associated information. The locations and extent of these mine sites have not been confirmed by field investigations. The information is subject to change as more accurate and up-to-date information becomes available. While the Department may update this information from time to time, available resources may prevent the Department from updating this information on a timely basis. The Department therefore does not warrant that this information is the most current and up-to-date information. The user of the information assumes all responsibility for ensuring that they have the most current and accurate information. All maps are designed for use at the designated scale and should not be enlarged or used for making site-specific decisions of any kind. Distribution of this data is intended for informational purposes and should not be considered authoritative or relied upon for navigation, engineering, legal, or other site-specific uses, including but not limited to the obligations of sellers of real property and their disclosure obligations under California law.

The Department makes no warranty of any kind, express or implied, nor assumes any legal liability or responsibility for the integration of the information, programs or software into any other personal or private computer system or hardware. The user of this information assumes any and all risks and understands that this information is provided on an "as is" basis. All warranties of any kind, express or implied, including but not limited to the implied warranties of merchantability, fitness for a particular purpose, freedom from contamination computer viruses and non-infringement of proprietary rights are disclaimed.
