Release 4.0 Computer Based Training (CBT) Announcement

The Computer Based Training (CBT) for **Underground Gas Storage (UGS) and Well Stimulation** courses are now available on the [WellSTAR webpage](#). In order to prepare you for the upcoming changes, we encourage you to review the CBTs for the new Release 4.0 functionality coming April 29, 2019.

To access the CBT's:

1. Go to [WellSTAR webpage](#)
2. Scroll down to the section titled Training and click on the link that says WellSTAR Training Materials for Operators.

Training

New to WellSTAR? Need help with something? Click the link below to access the WellSTAR Computer Based Training (CBT) and supporting materials.
