

## Communication Memo

April 25, 2019

### WellSTAR Cutover Beginning - Release 4.0

#### What

The cutover of Release 4.0 functionality to production will begin in one hour. This email constitutes the beginning of the cutover process.

#### Next Steps and Impact

The WellSTAR application will be inaccessible beginning at 5:00 p.m. April 25<sup>th</sup> through 8:00 a.m. Monday April 29<sup>th</sup>. During the cutover period, users will **not** be able to perform any work within the system.

**Please ensure that you have exited out of WellSTAR prior to 5:00 p.m. today.**

You will be notified when cutover is complete and WellSTAR is available.

Just as a reminder, Release 4.0 capabilities include Underground Gas Storage (UGS) and Well Stimulation.

#### Communication Audience
