

NOTICE TO OPERATORS

NTO 2021-08

NOVEMBER 12, 2021

ELECTRONIC FUNDS TRANSFER OPTION NOW AVAILABLE

Effective November 10, 2021, oil, gas, and geothermal operators may submit certain payments to the Geologic Energy Management Division ("CalGEM") online, via electronic funds transfer.

CalGEM has partnered with MUFG Union Bank to implement an online payment site where operators may now submit the following payments to CalGEM online:

- Annual oil and gas assessments;
- Idle well fees;
- Annual geothermal assessments;
- Annual underground gas storage assessments; and
- Civil penalties.

Online payments can be submitted to CalGEM, via electronic funds transfer, at the website below, which is managed by MUFG Union Bank's partner, First Data:

<https://www.govone.com/PAYCAL/Home/SelectAgency>.

The *EFT Information User Guide*, which contains guidance on how to navigate the online payment system, is located on the homepage of CalGEM's website:

<https://www.conservation.ca.gov/calgem/Pages/Index.aspx>.

If you have any questions related to CalGEM's new online payment system, please contact CalGEM's Program Support Unit, via electronic mail, at CalGEMSupport@conservation.ca.gov.

Sincerely,

Uduak-Joe Ntuk

State Oil and Gas Supervisor
