

YOUR VOICE MATTERS!

JOIN US! CALGEM PUBLIC WORKSHOPS DRAFT PUBLIC HEALTH REGULATIONS

The California Geologic Energy Management Division (CalGEM) is continuing its effort to update and strengthen public health and safety protections near oil and gas extraction facilities.

Join us for a virtual public workshop via Zoom. Workshops will provide the public the opportunity to submit verbal comments.

Spanish interpretation services will be provided. If you have a special accommodation or additional language needs, please contact Sarah.Rubin@conservation.ca.gov by November 24, 2021.
